STUDY VIRTUALLY WITH MORGAN!

Online Art Studio Sessions with Morgan Samuel Price

Small class sizes allow each student more time with Morgan. You can join anytime, classes are ongoing. Three choices of day and time to suit your schedule. Classes last up to two hours each. Get the benefits of a classroom setting from your own studio.

There is always emphasis on the students work each session. Time for critique. Time for specific demos. New ideas to present information. In addition to the workshops, separate critique or mentoring programs are also available.

“The instruction is easy to follow and I can immediately apply it. I am inspired. I feel like I have someone in my corner who cares about my success.” — JANET K, FLORIDA
