EN PLEIN AIR IN CINQUE TERRE
with JENNIFER MCCCHRISTIAN
– MAY 22-29, 2021 –

Learn to paint ‘en plein air’ with award winning artist Jennifer McChristian in the beautiful Cinque Terre region! Just as the Renaissance masters did you can explore the landscape, villages and light of this area to find wonderful motifs for your canvases. Discovering the unique color palette here will in itself be an inspiration, on top of the gorgeous and magical scenery of the Mediterranean coast.

Jennifer McChristian will offer a brief demonstration each day and provide advice on a one-on-one basis in the field. Additionally, there will be class discussions and critiques of work so that participants will learn from individual instruction as well as each other.

$3,595 per participant based on double occupancy
